Returns

Digitalis Education Solutions, Inc. stands behind the products it sells.

If you are unsatisfied with your purchase for any reason, you may return it to Digitalis in saleable condition, within 30 days after receiving it for a refund. You are responsible for all shipping charges, including insurance and any import/export costs, which can not be refunded. We are unable to accept returns of custom built or printed domes, as we can not resell these.

Two Year Limited Warranty

Your purchase is warranted against defects of workmanship and materials for a period of two years from the original purchase date. Should there be a defect or malfunction of the product, Digitalis Education Solutions, Inc. (Digitalis) will repair or replace the product, at Digitalis' option, free of charge other than shipping charges.

EXCEPTION: Products manufactured and branded by other manufacturers but resold by Digitalis (for example, Panasonic projectors) are warranted through their original manufacturer.

THERE ARE NO EXPRESSED OR IMPLIED WARRANTIES OTHER THAN THOSE STATED HEREIN, INCLUDING WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Digitalis will not replace burned-out lamps, and can not guarantee that the manufacturer's advertised lamp life expectancy will be reached.

This warranty is void if the product has been subjected to damage, unreasonable use, improper service, modification, or other causes not arising from defects in original materials or workmanship.

Digitalis shall not be liable for any incidental or consequential costs, including lost profits, or other expenses or damages resulting from any failure, defect, or malfunction of a product.

This warranty grants you specific legal rights, and you may also have other rights which vary based on your local laws.

Limited Liability

In no case shall Digitalis be liable for more than the purchase price of the product.

Foreign Purchases

Purchases from outside the US must be prepaid. Please contact us to discuss payment methods.

If located in the European Union, the purchasing organization agrees to finance the eventual collection, treatment, recovery, and environmentally sound disposal of any electrical products purchased from Digitalis.

Credit Purchases

If you are purchasing on credit, your payment is due in full within 30 calendar days after the invoice date. A service fee of 2% per month will be added to all amounts owed starting on the 31st day after the invoice date.

Customer is responsible for all reasonable collection costs, court costs, and attorneys' fees (whether or not suit is filed) incurred in the collection of any amount due.

Governance

Any claims related to this purchase are governed by the laws of the United States and the state of Washington, and must be resolved in the state of Washington.

I have read and agree to the above Sales Terms and Conditions.
